DECEMBER 2024

Happy New Year!

As we reflect on the past year, we are filled with gratitude for all that God has done in our lives and ministry. We praise Him for His faithfulness and look forward to what He has in store for the coming year!

October:

We spent the majority of our time in Tennessee and are so thankful that the Lord protected us from the hurricane that was coming through the area. During our time there, we had the privilege of attending the Southwide Baptist Fellowship in Murfreesboro. At this event, we were able to share our ministry by distributing a special advertisement that reached around 500 individuals.

November:

God blessed us immensely through a sweet church in Florida. We had the opportunity to bring Camp Promised Land to them and make it feel like a true day at camp! We sang, played games, handed out prizes, and Mario preached. It was a fun, encouraging, and refreshing time. Later in the month, we were able to spend Thanksgiving with family in South Carolina.

December:

We had several meetings in Ohio and Michigan, and then traveled to Florida for Christmas. We ended the year with a meeting in South Carolina, where they took us on for support! What a wonderful way to close out the year!

Praises:

1. We are so thankful for the 5 churches and 1 couple who graciously allowed us to park our RV at no cost during this past quarter.
2. We praise God for His continued safety as He's kept us safe on the road time and time again.
3. We are incredibly grateful to Victory Baptist in Florida for covering the cost of necessary truck repairs to keep us safe while traveling.
4. While in South Carolina, we discovered the flooring in our camper had begun to rot in several places. We are so thankful that Forest Hills Baptist Church allowed us to use their hookup and dumpster while we worked on the repairs and that God provided the funds for the new flooring.
5. We are so thankful for the day-to-day blessings God provides—our propane is full, our fridge has food, our truck has gas, and we are warm and safe.

"Blessed be the Lord, who daily loadeth us with benefits." Psalm 68:19

This Month:

We're currently spending time in western North Carolina. We found an up-and-coming RV park at an affordable rate where we can park while traveling to meet new churches and explore the area of where we'll potentially put Camp Promised Land. The park is owned by a sweet family that doesn't know the Lord. We've had opportunities to talk with them and invite them to church. Please pray for the Seal family, that they would come to know the Lord and get plugged into a good church in this area.

Additionally, we've started a Bible Reading Group with 8 teenagers. It's been exciting to see their enthusiasm as they read and learn together, and we are thrilled by the responses we've gotten so far!

Looking Ahead:

We're in the process of refining our mission statement, designing a new logo, and preparing new merchandise for the camp. This week, we met with a wonderful Christian company in Winston-Salem that is eager to help us create these items. We're hopeful that in the next few weeks, our new merchandise will be available on our website!

Please continue to pray for us as we seek the land God has for us and pray that He will bring teenagers into our lives who we can work with and lead to Him.

Thank you so much for your prayers, financial support, and words of encouragement. Your support means more to us than you can know, and we're incredibly grateful for each of you.

God bless you!

With grateful hearts,

The Chadinha Family
