**MAY 2025**

Hello friends!

### **March Highlights**

We had a full and blessed month of March! We began by visiting some of the teens from our former youth groups who are now off at college. It was such a joy to see them thriving at The Crown College and Commonwealth Baptist College. We especially enjoyed spending time on their campuses and attending church services together.

The following week, we had the privilege of attending the ordination of another one of our former teens—what a blessing to see how God is working in their lives! Mario was honored to be part of the ordination council.

Later in the month, we participated in a missions conference in Ohio. We thoroughly enjoyed getting to know the church family there and fellowshiping with other missionaries.

We wrapped up March at our sending church, where Mario had the opportunity to preach and share an update on all God has been doing through the ministry. It was a sweet time of encouragement and reconnecting.

### **April Highlights**

April took us throughout Michigan, where we were able to attend several services, reconnect with supporting churches, and catch up with familiar faces. It's always a blessing to update those who have faithfully partnered with us.

At the end of April, we traveled to New York for a meeting, which was Emily's first time visiting the state! Of course, we couldn't pass up the chance to visit Niagara Falls—we had an amazing time and made wonderful memories.

### **May so far**

We kicked off May by heading down to North and South Carolina. We've been so encouraged by the warm reception and enthusiasm from the churches we've visited here. We're excited for what the rest of the month and June have in store—God is already opening doors, and we look forward to sharing what God is doing and more in our next update.

### **Praises**

- While in Michigan, we received a call from a supporting church offering to **donate a complete sound system** for the camp! We are incredibly grateful for their generosity and can't wait to put it to use. What a blessing!

### **Prayer Requests**

- We're currently at **75% of our needed support**. Please pray that more churches will be led to partner with us in this ministry, so we can **focus our efforts in North Carolina** and get more involved in our new community.
- We are still actively **seeking the land** that God would have us use for the camp. Please pray for wisdom, provision, and open doors.
- Please pray that **God will provide more opportunities to connect with teens** as we travel on the road.

From the bottom of our hearts, thank you for your continued prayers and support. We don't take it lightly and know that we couldn't do this without your support.

God bless,

*The Chadinha Family*
