## CAMP PROMISED LAND

MARCH 2026

**Happy (almost) Spring!**

### **CAMP PROMISED LAND UPDATE**

This quarter, we are thrilled to share that we have welcomed two new supporting churches! Spending January and February in North Carolina allowed us to meet many new churches, build friendships, and gain both new partnerships and support. We are so grateful for how the Lord has blessed this season. While in NC, we also launched a podcast for teenagers and young adults. We have released seven episodes so far, airing weekly on Tuesdays. A QR code is included below so you can easily access the podcast—please share it with any youth who might benefit!

At the beginning of March, we made a long trip to Northern Michigan to attend a conference for camp owners. We learned so much over those three days and have already begun putting some of it into practice! It was also amazing to meet other camp leaders and pick their brains. Shortly after, we attended a wonderful marriage conference with some of our awesome ministry friends. It was a refreshing and encouraging time, especially after being away from friends and family for the past two months.

### **PROMISED LAND PURSUIT - Our Podcast**

We named our podcast 'Promised Land Pursuit' to reflect both our pursuit in developing the camp and our desire to help youth actively pursue a relationship with Christ. Our first series of episodes focuses on calling, identity, and finding purpose. The response has been far greater than we expected. Based on our analytics, many youth are navigating fear around their calling, which has been eye-opening for us. We will be wrapping up this segment and we're excited to shift our focus to relationships in the coming weeks, trusting the Lord to guide these conversations. The positive feedback we've received has been incredibly encouraging!

### **PROMISED LAND EXPERIENCE (PLX) - Our Mobile Camp Ministry**

We have raised over \$5,000 for PLX! With these funds, we've purchased several high-quality games that we hope will provide fun, long-lasting experiences for youth this summer. While we know that the events are ultimately not about the games, having them often draws youth to the events in the first place, giving us the opportunity to share the Gospel with them. Truly, this money comes into our hands and goes right back out as we invest in the youth we have the privilege to work with. Our next goal is a complete, durable laser tag set that can travel with us to mobile camps. In February, we met virtually with a Wisconsin-based company whose equipment meets all our needs! To make this a reality, we need to raise \$13,500. So far, we have \$400 toward this goal, and the vendor is offering a short-term discount through March. If you feel led to help with this expense in any amount, we would truly appreciate it! Through this new game, as well as the others we've purchased, we hope to provide an exciting experience that makes our camp stand out and allows us to create unforgettable youth events.

### **PRAYER REQUESTS**

We are currently praying for:

- more opportunities to minister to young people
- a church to call home in North Carolina
- wisdom, direction, and the Lord's timing in finding property
- and provision for the remainder of our support

Thank you for your continued prayers and support! We truly appreciate your partnership with our ministry.

**God bless,  
The Chadinha Family**
