APR/MAY/JUN 2024

Hello friends!

We hope you are having a wonderful summer and enjoying all the activities this time of year brings!

We have had a busy and encouraging past couple of months. As we mentioned in our previous letter, April was our month of praying and fasting for the property God laid on our hearts in Nebo, NC. We saw blessing upon blessings pour in on our family through the month. Blessings such as abundant love offerings, a new church's support, God laying a realtor in our laps and a church allowing us into their warehouse to take all the food we could possibly fit into our rv.

Evelyn even wanted to take the challenge with us to fast for her very first time and got to see the blessings from it as well. Although, for the first 2 weeks she broke down in tears around dinner time saying, "Is this what God's wants? For us to starve to death??" (haha) We had the opportunity to teach her about fasting and by the end of the month she was fasting like a pro (and excited about it too)!

We ended the month in Marion, NC, just 15 minutes from the land and we had the opportunity to visit and pray over it once again. Mario took beautiful drone footage which you can see on our facebook page.

In May, we met with our new realtor and had a chance to drive through the property with him. It was clear that he was just the man for us to talk with because of his in-depth knowledge of the property as well as his status and relationships in the community and the wisdom/ advice he had for raising funds for a nonprofit. We were able to submit a letter to be given to the landowner. Although, we still have to meet with the realtor to discuss the details, we were told the owner may be willing to donate a portion to our ministry!

Also in May, we became incorporated in the state of North Carolina, and we are now starting the application for a 501c3! We will be attending classes at a Christian camp in August for just a couple of days to learn more about running a Christian nonprofit and starting a 501c3.

To end the month of May, we attended a preacher's fellowship meeting where Mario was called from the floor to preach! It was exciting to attend and also have the privilege of participating!

The following day, Mario was invited to fill a pulpit while the preacher was out of town. One of the visiting members enjoyed the service so much she went back to her home church to tell them about him, and it turns out it was a recent supporting church!

The beginning of June we shot straight up to Michigan for a camp meeting, where we both had the privilege of singing. Then to northern Michigan to help with a VBS, where Mario got to teach the teens and led 5 of them to the Lord! And I was able to regain my position of teaching the toddlers for the week! It was good for both of us to have a chance to serve hands on in a church, even temporarily.

Mid-June, we visited Ohio for a week of mission classes. We learned so much and truly enjoyed our fellowship with the other missionaries on the board.

We are looking forward to a couple of busy months of meetings, time with family, another VBS, and a revival before we go straight back down to SC/GA.

Praises:

In addition to the praises mentioned above, we had 2 supporting churches increase their giving to our ministry and six churches give us a place to stay through this quarter.

Prayer requests:

As always, we ask that you please pray for us as we continue to travel. We are praising the Lord for the safety we've had on the road this far! Also, please continue to pray for this property in Nebo and for the Lord's will to be done. As well as the classes we will be attending in August. We hope to learn a lot and get direction on the next steps we need to take.

Thank you for your continued prayers and support!

God bless,
The Chadinha Family
